

REMARKS

The foregoing Amendment and remarks which follow are responsive to the Restriction Requirement mailed July 9, 2003, in relation to the above-identified patent application. In the Restriction Requirement, the Examiner requested election under 35 U.S.C. § 121 to either Claims 1-21 drawn to a semiconductor package, or Claims 22-26 drawn to a method of fabricating a semiconductor package.

Responsive to the Restriction Requirement, Applicant hereby provisionally elects without traverse to initially prosecute Group I covering Claims 1-21. Pursuant to this election, by this Amendment, Applicant has cancelled non-elected Claims 22-26 and added new Claims 27-31 into prosecution. Newly added Claims 27-31 are each apparatus claims commensurate in scope to the elected Claims 1-21. Applicant has also amended Claim 14 to correct an informality therein.

If any additional fee is required, please charge Deposit Account Number 19-4330.

Respectfully submitted,
